Emergency Volunteer Air Corps

On behalf of the United States Air Force Auxiliary, the Civil Air Patrol, I wish to thank you for your support and assistance with our Search and Rescue Exercise held on Saturday August 19, 2006, at Santa Monica Airport, Santa Monica, California.

Due to your help the Exercise was a huge success. We flew 9 sorties involving 4 aircraft, 32 participants, including cadets and outside agencies.

We successfully demonstrated our readiness and ability to respond effectively, and to deploy quickly in time of need.

My sincere thanks for your participation.
