

Santa Monica Airport

Emergency Volunteer Air Corps (EVAC)

Mission Statement:

“The Emergency Volunteer Air Corps promotes and coordinates effective and useful additional General Aviation volunteer participation in emergency relief efforts, especially following disasters.”

EVAC Volunteers fly to help others! During emergency situations EVAC pilots and other volunteers provide the resources of General Aviation to help affected people and communities. EVAC based at Santa Monica airport and associated with the Santa Monica Fire Department is comprised of both pilots and non-pilot volunteers who work together with the community and city to assist others in times of need.

Activities:

- Fly Santa Monica emergency and city personal in case of an emergency.
- Use member-owned aircraft to support and provide flexibility in the city’s response to emergencies.
- Provide emergency communications services to the city through DCS.
- Ensure that the Santa Monica airport remains a critical part of the community’s resources.
- Assist in aerial surveys of critical city infrastructure in times of emergency.
- Enhance the preparedness of all members of the community through various training programs including First Aid, CPR and disaster planning and response.
- Fun activities including out annual fire department pancake breakfast and group fly-outs (day and camping trips) to local destinations such as Lake Isabella.

How to Join:

EVAC is open to both pilots and non-pilot volunteers in and around the Santa Monica area. Santa Monica EVAC meets monthly at Santa Monica airport. New members are encouraged to attend one of our regular monthly meetings and visit our web site at: <http://www.evac.org/smo/>.
